

SUICIDE'S NOTE TELLS WIFE TO WED

Marry as Soon as You Can, He
Writes, Before Taking
Poison.

His health is believed by the police to have driven Charles Fortenstein, thirty years old, a jeweller, of No. 280 18th Avenue, Newark, to take poison last night. He was found unconscious in Weequahic Park and died before reaching the City Hospital.

Fortenstein contracted the "flu" last Christmas and had been ailing ever since, it was said. The police found a letter in his clothing addressed to his wife, which read: "My Dearest Carrie—Enclosed find the change of the \$5. I hope you will forgive me, as I am really going out of my mind since Saturday. I am getting worse, but that's not your fault. The 'flu' is the cause of it all. I have been walking around all morning and I don't know what I am doing. Don't wear black clothes and please get married again as soon as you can. I hope everybody else will forgive me, and I hope you at least will bury me. You are the best woman in the world and I love you. Goodbye forever. With love and kisses, YOUR LOVING DAD." The couple had been married six years and had no children.

Arnold Freed of Chicago, Arthur Arnold, No. 296 West 12th Street, who was arrested last Friday on a charge of attempted forgery made by George Bonnier, a cashier of the Pacific Bank at Broadway and 46th Street, who alleged Arnold came to the bank about three weeks ago to cash a check for \$95, alleged to have been forged, was discharged yesterday by Magistrate Ten Eyck in West Side Court because of lack of evidence.

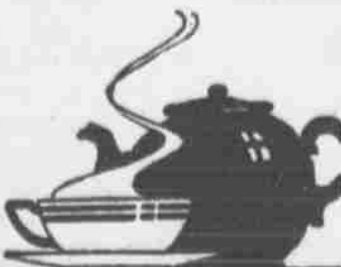

Rear Admiral Carr Improving. The condition of Rear Admiral Clarence A. Carr, who is at the Naval Hospital, was said to be slightly improved yesterday. He is suffering from an attack of pneumonia, contracted June 15. He is Supervising Engineering Inspector of the Third Naval District, having succeeded Rear Admiral Thomas Worthington, who retired because of the age limit about a year ago.

GOUGING IN WESTCHESTER.

Landlords Boasting Rents and Officials Becoming Alarmed.

Officials in New Rochelle, Mount Vernon and Yonkers are becoming alarmed because very little relief is in sight for the shortage of houses and apartments in these cities for the coming fall.

At New Rochelle the housing committee received a report from Supervisor Dasser that conditions are deplorable. He said his attention had been called to several cases of rent profiteering, from \$26 to \$45 and from \$13 to \$20 a month. In Mount Vernon and Yonkers landlords of small flats and big apartment houses have served notice that all rents will be raised by Oct. 1, and many legal battles at that time are expected.

Tea Time Tips

Never Use a Cold Tea Pot

The pot should be well warmed with boiling water before the leaves are put in. Try it the next time and note the difference in the flavor of your tea. But you will find a greater difference, when, instead of asking your grocer for "tea," you ask for, get and use
